

TJ TIJUANA STREET TACOS

The simplicity of the taco is made up in the intricate flavor. The mesquite smoked carne and chicken are coddled in a fresh homemade corn tortilla. The meat is welcomed by modest amounts of onions, cilantro and topped with crumbled Cotija goat cheese. From here, you add your desired taste with the the variety of salsa and guacamole (seasonal) too create the best taco you've ever enjoyed!

All tacos are garnished with onions, celantro, cotija cheese (imported goat cheese)
